If there are less than 3 people in a category, the division will be merged with another division based on safety and fairness.

If a division has 3 or 4 people, the category will be run as round robin (or pool style) division.

If a division has more than 4 people, it will be run as a double elimination style of event

(in the case of double elimination - the person who comes in 2nd place has 1 loss, the winner has no losses)
