Further that the company is carrying the unspent amount of Rs.27.36 lakhs for the years 2014-15, 2015-16 and 2016-17.

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including, subsequent payments received from debtors subsequent to the date of the financial statements.
