

# Mama Anita's Farm Planting & Care Guide

*Everything you need to help your plant settle in and grow.*

## SMALL PALM (TROPICAL PALM)

*A beautiful tropical palm that brings an instant island feel to your garden.*

### Sunlight

Full sun to partial sun  
Best growth with plenty of sunlight

### Water

Water 2-3 times per week  
Keep soil slightly moist but not soggy

### Soil

Well-draining soil is important  
Sandy soil works very well

### Planting Tips

- Plant at same depth as pot
- Choose a sunny location
- Great for yards, entrances, and landscaping

### Care & Growth

- Remove dry or damaged leaves
- Slow to moderate grower
- Very low maintenance once established

### Watch For

Brown tips = needs more water or less direct heat  
Yellowing leaves = overwatering

Bring the island home
