## AVOCADO TREE

*A rewarding tree that provides shade, beauty, and fresh fruit over time.*

---

### Sunlight

Full sun is essential

---

### Water

Water deeply 2–3 times per week  
Let soil dry slightly between watering

---

### Soil

Excellent drainage is critical  
Do not let roots sit in water

---

### Planting Tips

- Do not plant too deep
- Slight mound helps drainage
- Protect from strong wind when young

---

### Care & Growth

- Minimal pruning early
- Add mulch (not touching trunk)

---

### Important

Leaves may droop after planting — this is normal  
Plant needs time to adjust and establish roots
