

Icyo wakora mu gihe ufile ibyago byinshi byo kuba warembywa na COVID-19

Ese ufile ibyago byinshi byo kuba warembywa na koronavirusi?

Dushingiye ku byo tuzi uyu munsi, abafite ibyago byinshi byo kuba barembywa na COVID-19 ni:

- Abakuze cyane
- Abantu b'emyaka yose ariko bafite:
 - Uburwayi bwa kanseri
 - Uburwayi bw'impiko bw'akarande
 - Uburwayi bw'emyanya y'ubuhumekero bw'akarande (COPD)
 - Intege nke z'urwungano rw'ubwirinzi zikomoka ku isimburwa ry'ibice by'umubiri (impiko, umwijima n'umutima)
 - Umubyibaho ukabije [Ibibimo bijyanisha uburebure n'ibiro (BMI) bya 30 cyangwa no hejuru]
 - Uburwayi bw'umutima bukabije, nko guhagarara k'umutima, kuziba kw'imiyoboro ijjana amaraso mu mutima, cyangwa kurwa kw'imikaya y'umutima)
 - Uburwayi bw'uturemangoingo tw'insoro zitukura
- Diyabete yo mu bwoko bwa 2

Fasha kwirinda no kurinda abandi:

Mbere yo gufata urugendo:

Banza usure muganga wawemaze utegure inyandiko zo kwa muganga zawe

Fataimitiy'ibyumweru 12.

Mu gihe uri ku rugendo

Ambaraagapfukamunwa.

Karaba intoki kenshi cyangwa ukoreshe umuti wagonewe gusukura intoki wiganjemo arukoro.

Irinde kwegerana n'abantu mutabana (sigi nibura intera ya metero 2).

Mu gihe uvuye ku rugendo

Usabwe kuguma mu rugo uko bishoboka kose, mu gihe cy'iminsi 14 ugeze muri Leta zunze Ubumwe z'Amerika.

Suzuma ibimenyetso bya COVID-19. Ipmishe umuriro wawe niba wumva urwaye.

Komeza ukurize ibivugwa muri 'Mu gihe uri ku rugendo'.

Mu gihe wumvise urwaye ugaterekereza ko ushobora kuba urwaye COVID-19:

Guma mu rugo. Irinde kwegera abandi mu buryo bwose bushoboka.

Itabaze muganga wawe n'umukozi ushinzwe dosiye yaye w'ikigo gishinzwe serivi si zu gutuza abimukira. Mu gihe ukeneye umusemuzi wo kugufasha kuvugana na muganga wawe, ushinzwe dosiye yaye mu kigo gitanga serivi si zu gutuza abimukira ashobora kugufasha.

Hamagara 911 maze usabe serivi si z'ubuvuako kanya niba ufile ibimenyetso biburira byihutirwa (birimo guhumeka bigoranye).

Hamagara muganga wawe niba wumva urwaye.

Ukeneye andi makuru yerekeye icyo wakora ngo wirinde, wakwifashisha inyandiko y'"Uburyo wa kwirinda" ya CDC.
