Hello Friends and Neighbors!

Yes, it's time again for our annual Shorewood Estates Community end-of-season get-together! This year we're celebrating the season w/ a Low-Country Boil - an all-in-one one-pot scrumptious buffet of shrimp, clams, sausage, chicken, potatoes, and corn-on-the-cob! (If anyone attending has a seafood allergy, we'll fix a pot w/ no shrimp and clams). Paper products and beverages (water, lemonade, iced tea, soda) will be provided.

We appreciate your help w/ a few items:

- Canopy-style tents and/or patio umbrellas to cover food and seating areas
- Folding tables and chairs, and lawn chairs
- Your own adult beverages
- Last Name first letter **A - H = Side Dish or Salad to share**
- Last Name first letter **I - P = Appetizer to share**
- Last Name first letter **Q - Z = Dessert to share**
- Trash bags to carry-out our trash
- Any games or activities you think folks would enjoy, e.g., Cornhole Toss, Badminton, Horseshoes, Cards, etc.
- Citronella candles or lawn torches just in case . . .

Go/No-Go decision based on weather forecast = Thursday 9/27 via e-mail. Looking forward to seeing you there!
