

ABOUT US

We envisioned a vending business that would prioritize the needs of dedicated employees like us, offering a reliable and customer-centric service. Determined to supply hard working people with edible products, we embarked on an entrepreneurial journey of creating a vending business that would define workplace snacking.

## CUSTOMER TESTIMONIALS

"A wonderful company to deal with. The team cannot do enough for you. They are always available and provide top notch customer service. I highly recommend them"

Dana Mcquire  
Washington D. C.

"Good price, Nice products, and refilling always on time."

Jason Hall  
Fort Washington, Maryland

"Great vendor, when I needed the machines stocked at my business, they stocked it. Little to no maintenance issues as they made sure they were checked. I'm happy with business."

Carol D. Brooks  
Alexandria, Virginia
