WHO YOU'RE HELPING

The Sunrise Optimist Foundation of Freehold founded Camp Quality New Jersey and continues to be a major sponsor of the camp.

Camp Quality provides a week-long camping experience and year-round support programs for children with cancer at no cost to the families. Companions and the Program/Activity Staff at camp work together to encourage children to try new activities and challenges that allow them to leave their "Comfort Zone" in an attempt to build emotional strength and life skills. The medical staff is always on hand and involved so that medical treatment can continue uninterrupted.

Adult companions are carefully paired with the campers so that they may share fun and exciting experiences and have the opportunity to build relationships and memories that sustain them in the years ahead.
