

2021 MALBEC *RESERVE*

APPEARANCE

Deep, dark magenta with purple hues.

NOSE

Intense aromas of blackberry and blueberries transport the consumer straight into a berry orchard. The inky colour translates beautifully into the expression of dark fruit. Subtle notes of oak and cocoa does wonders for the complexity of this wine. This wine has the drinker hooked long before the first sip is even taken.

PALATE

This is a full bodied wine that is silky smooth, yet has ripe and grippy tannins that develop seamlessly with flavours of dark wild berries and finishes with a hint of French oak. The long and satisfying finish is full of blueberry, oak spice and cocoa.

FOOD PAIRING

Mischa Malbec drinks well on it's own, but also compliments lean cuts of meat like flank, sirloin and skirt steak, chicken, and other meats like lamb and pork. This wine pairs superbly with Italian food and with richer fish such as salmon.

AGEING POTENTIAL

This wine is ready for consumption now, but will benefit with 5 to 8 years of proper ageing.
