

2021  
**PETITE SIRAH**  
*RESERVE*

**APPEARANCE**

A deep, dark wine with a wonderful purple hue and a rich ruby rim.

**NOSE**

Lush aromas of plum and mulberry are noted first, and gentle secondary aromas of white pepper and tanned leather balance out this deeply complex wine. Generous decanting or swirling in the glass will allow this wine to truly demonstrate its full potential and rewards the drinker with an intense experience of dark fruit and soft oak.

**PALATE**

The velvet and smooth mouthfeel with substantial tannins makes this wine an experience to remember. Plums and savoury spice guide the taste development on a seamless journey through the mid-palate into a long, satisfying finish. Giving the wine proper time to breathe, releases more and more fruit flavours that can keep any connoisseur enticed bottle after bottle.

**FOOD PAIRING**

This bold wine drinks well on its own, but pairs beautifully with rich dishes such as lamb roast or ribeye steak with a creamy mushroom or pepper sauce. It also works well with dark chocolate desserts.

**AGEING  
POTENTIAL**

The 2021 Petite Sirah is perfectly drinkable right now, but can benefit from 10 to 12 years of proper bottle ageing.
