We want to ensure that our practice never contributes in any way to the growing problem of improper Medicare expenditures. As a part of this plan, we have implemented a Compliance Program that we believe will help us prevent any Medicare service or billing errors.

Our policy is to listen to our employees and our patients without any thought of penalization if they feel that an event in any way compromises our policy of integrity. We welcome your input regarding any billing or service problem so that we may remedy the situation promptly.
