- Recipient of the American Health Care Association Quality Award
- Kentucky Labor Cabinet Governor's Safety Award Recipient
- Excellence in Action - My Interview National Award
- American College of Health Care Administration and KAHCF Administrator of the Year Recognition Awards

Getting Started

Making health care decisions are never easy. The Terrace's Admission Coordinator is equipped to answer many of the questions you may have. To learn more about the facility and services, a tour is a great way to personally see the services and care available.

There are choices when it comes to nursing and rehabilitation care. Given the opportunity, the facility staff will make every effort to meet your needs.

Financial Arrangements

Paying for nursing and rehabilitation services can sometimes be complicated. We will be glad to talk about your specific situation and any programs or assistance available. Payment is accepted from Medicare, Kentucky Medicaid, some private and long term-care insurances, and private funds.

The Terrace admits individuals regardless of race, color, national origin, disability, or age.

The Terrace is located off I-75 at Exit 77. Go straight on bypass. At spotlight turn right on 1983 South (Menelaus Road). Then turn left onto Brooklyn Boulevard.

Kentucky Cabinet for Health and Family Services

Services

The Terrace's approach centers on the teamwork of experienced physicians, nurses, pharmacists, social workers, dietitians and physical, occupational, and speech therapists. Each person's medical and social needs are met through an individualized plan of care, which is monitored by each member of the team and adjusted as necessary to promote renewal, recovery, and well-being.

Short-Term Rehabilitation Therapy

Post-Hospital Care

Skilled Nursing Care

Long-Term Nursing Care and Restorative Services

Compassionate End-of-Life and Hospice Care

Rehabilitation

The rehabilitation program is designed to meet the specific and unique needs of those requiring physical, occupational, and speech therapy. Whether recovering from a stroke, fracture, joint replacement, surgery, illness, or injury, the licensed therapists are focused on promoting independence through a variety of rehabilitation therapies and treatments.

Rehabilitation Services Include:

- Orthopedic Rehabilitation
- Stroke Rehabilitation
- Falls and Balance Program
- Cardiac Rehabilitation
- Wound Care
- Swallowing Therapy
- Daily Living and Self-Care Retraining
- Adaptive Equipment Training
- Pre-Discharge Home Evaluations

Short-Term Therapy Suites

Perhaps an intensive plan of therapy is needed to restore independence following a hospital stay. A short-term *Therapy Suite* would be ideal. Working with the physician, the therapy staff will provide the education, motivation, and support needed to attain an optimal-level of functioning upon discharge. With special amenities, the *Therapy Suites* are perfectly suited to get you back on your feet. Trust The Terrace to renew, recover, and restore health.

Philosophy of Care

The Terrace reflects a tradition of quality that began in 2003. The philosophy of care recognizes the dignity of every person and the unique needs of each individual. The facility is comprised of professionals dedicated to maintaining the highest quality of life for those served while encouraging the support of family, friends, and community.

About the Terrace

The Terrace, a nursing and rehabilitation facility, provides a full range of health care services including short-term rehabilitation therapy, post-hospital care, skilled nursing care, long-term nursing care & restorative services, and compassionate end of life & hospice care. Located in historic Berea, Kentucky, the team of nurses, therapists, and other health professionals work together with physicians to create and deliver a comprehensive plan of care customized to meet each person's needs.
