

Experience...

The warm, comforting atmosphere of The Terrace Nursing and Rehabilitation Facility. At first glance it is easy to see why we are considered one of the finest, state-of-the-art health care facilities in central Kentucky. With our brightly lit, elegantly furnished, spacious and comfortable rooms you will feel right at home. Tour our beautifully landscaped outdoor courtyard or enjoy the privacy of our library, chapel and lounge areas. At The Terrace we treat everyone like family.

We proudly provide a full range of health care services including short-term rehabilitation, long-term nursing care/restorative services, post-hospital care, 24-hour skilled nursing care, social services and compassionate end of life and hospice care. At The Terrace, we understand each resident has unique needs. Our team of experienced nurses, therapists and other health care professionals work together to create and deliver a comprehensive care plan designed specifically for each individual.

Participate in religious services, recreational activities, special events and take advantage of our open visiting hours and pet-friendly facility. We also offer a variety of amenities, including cable TV, telephone access, internet access, beauty/barber shop and furnished private and semi-private rooms.

We invite you to tour our elegant facility and encourage you to meet the professional staff dedicated to providing quality care to our residents and family!
