Work Experience

Bad Rabbit Graphics LLC *2014–Present*

A self run graphic design business I started in college to gain more experience working with various clients. Past work includes working with start up businesses, non-profits, and business associations to create brand materials, web graphics, and websites.

J.A.C.E (Just About Kids Eduction): Freelance Designer *2015–present*

Ongoing work for a non profit, where I took on the role of creating the organization's event flyers and redesign of the company website.

Design Practicum *9/2018–12/2018*

At Mason Gross, worked along side other design students creating a brand identity for a non-profit organization, "The Addis Clinic". This included logo, brochures, business cards, websites, and leave behind dinner boxes. Other project included working with Rutgers Press, creating book covers for various authors.

Fun New Jersey: Design Intern *6/2018–8/2018*

A New Jersey based business dealing with B2B advertisement. I took charge of creating vector graphics for print and web advertisements. I assisted the website developer by making web banners for the main website. I gained valuable experience in using Illustrator.

ZHIP LLC Graphic: Designer Assistant & Shipping *2/2017–1/2018*

Created digital promotions for ZHIP's umbrella company, Lankai Beauty. Using Adobe Suite, I created web banners, blast emails and in store event flyers. I also managed the warehouse inventory and shipping, gaining valuable e-commerce experience as an auctioneer for online stores.

Irvington Parks and Recreation: Site Coordinator *2015–2016*

Camp Counselor for Irvington's summer camp program, lead summer enrichment activities, field trips and handled camp's A/V equipment.
