

**Hello Thornhill-Vaughan (L4J Postal Codes) Residents,**

**Re: More public ice skating required desperately at Rosemount Arena (located at Bathurst at New Westminster) during evenings and weekend**

As a proud community advocate I am engaging fellow civic minded community members to sign a petition to ask the City of Vaughan to add more public skating sessions during prime hours during Fall/Winter.

Currently all Vaughan Community Centre Arenas have at least three family / all ages public skating times except Rosemount Arena which only has one per week Saturday 2-4pm. Rosemount's Wednesday 7-9pm skates are only for teens and young adults which is a great program that needs to be retained.

Based on current usage of Rosemount Arena, the following would be two ideal slots to add additional public skating for all ages at Rosemount Arena without hurting existing local user groups.

**Friday 6-8pm and Sundays 12-2pm**

In order to accept petitions the city requires full name of adults 18+, including address and telephone# and/or email address.

Please contact me today to learn how you can help with the petition.

Cheers and Thanks,

*Hiten "Heaton" Patel*
