

Safe Haven Baby Boxes

A Gift of Hope. A Chance at Life.

**Save a life right here in
St. Croix County!**

**This box will be located at
Baldwin EMS's new station**

No baby should ever be left without safety, and no mother should ever feel she has no choice. A Safe Haven Baby Box gives mothers in crisis a secure, loving, and anonymous way to surrender their newborns safely ensuring that the baby is protected and cared for within minutes.

This simple box can be the difference between life and loss. It is a place of hope, a place of love, and a second chance for the most vulnerable among us.

We are working to bring a Safe Haven Baby Box to our community, but we cannot do it without your help. Our goal to raise is \$40,000. The initial build cost is \$15,500. Additional costs include installation, alarm system, education (for EMS, local hospitals, local law enforcement and Dispatch) and yearly maintenance fees. Every dollar you give moves us closer to saving a life.
