

PERSONALIZED GIVING GUIDE

Restoring History. Rebuilding Futures.

DEAR *Friend and Advocate,*

Thank you for considering a year-long partnership with Magnolia Children's Group (MCG). At MCG, we believe that every child deserves not only a safe place to sleep, but a home steeped in belonging, legacy, and hope for the future. Our work transforms historic Louisiana properties into therapeutic, trauma-informed foster communities—turning the old into something life-giving and new for some of our state's most vulnerable children.

Your faithful, recurring support is what allows us to restore more than buildings; together, we rebuild childhoods, nurture resilience, and ignite change in foster care for generations to come. We invite you to plant your stake in this movement, ensuring children from hard places can finally find healing and a home as unique as their story. Thank you for considering an annual giving commitment—your partnership truly makes a difference every day.

With gratitude,

Dr. Christian Vigé

WHO WE ARE

Magnolia Children's Group (MCG) is a Baton Rouge-based nonprofit, focused on re-imagining foster care in Louisiana through the lens of healing, heritage, and hope.

Restoring History. Rebuilding Futures.

FIRST CAMPUS: FORMER LOUISIANA SCHOOL OF THE DEAF (1120 GOVERNMENT STREET)

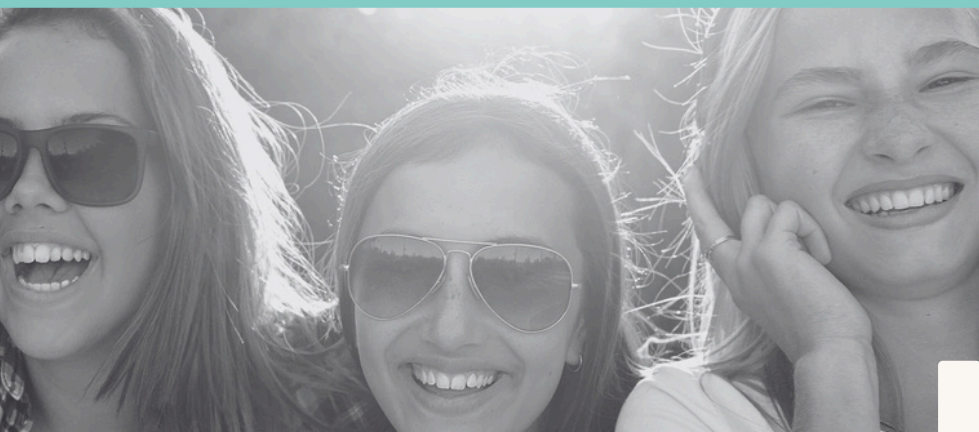

INITIAL FOCUS: MIDDLE SCHOOL-AGED GIRLS IN HIGH-NEED DCFS REGIONS

VISION: A LOUISIANA WHERE EVERY CHILD FINDS A LOVING HOME IN A HISTORIC SETTING.

Our Model:

We renovate and repurpose historic properties into modern, trauma-informed foster care campuses. Each site becomes a haven for healing—welcoming children with round-the-clock care, evidence-based supports, and a deep sense of community.

WHY NOW? WHY MAGNOLIA?

Louisiana:
Among the
nation's
highest foster
care rates per
capita

Many children
experience
multiple
placements due
to lack of trauma-
informed
supports

MCG tackles this
gap: Repurposing
facilities, equipping
loving caregivers,
and providing
campus-based
wraparound
services.

WE ARE READY

Immediate access to a historic, ready-to-renovate campus

Strategic partnerships with DCFS, LDH, top child welfare organizations

Strong sustainability plan: gaining public/private funding, tax incentives, and ongoing donor support
