Success at 17th Anniversary of first Church Plant

We rejoice together with our first church plant in Altamira, Tamaulipas Mexico. New Life Baptist Church has celebrated 17 years of spreading the gospel throughout the Gulf Coast cities of Mexico.

Recently they held a Vacation Bible School during a very rainy week. Even with all the rain they had 70 in attendance with 20 professions of faith.

On their anniversary Sunday they had 120 in attendance and 5 people accepted Christ as their personal savior.

The pastor and his family were with us since the beginning of this work. They have been faithful in serving this church for all these years and are asking for our help with a special need.

Their church is growing and is looking to put a roof on the auditorium and are asking for help. We ask that you consider participating in this much needed project.

We are confident God will provide for the needs of this fruitful ministry.
