Teen Outreach

We opened our house up to a teen success. We had about 35 in attendance and daughter befriended one girl which now is

other teens who had been a challenge to the church also came. On a separate occasion we invited these young men to our house to eat and spend time with our family. Through that we saw a real change in their attitude in the church. So their coming to the teen meeting and the positive attitude they had was an extra special blessing. Now one of these teen's brother is attending as well after a tragic accident he was in and the

meeting that proved to be a several first time visitors. Our regularly attending the church. Three church showing their concern to the family. Point in hand is that we have the privilege and responsibility to show the love of God not just tell of it. This in turn gives more freedom for the Spirit of God to transform their lives through God's Word when they see and experience His love demonstrated through His children.

Baby Shower turned Evangelistic Meeting

Recently we hosted a baby shower at our home in which my wife was expecting about 20 women to attend. To our surprise some of their husbands and children came as well. As the lady's baby shower was going on, I was able to strike up a conversation with some of the men who came. As the ladies were ending their meeting and enjoying the food, I was able to share the gospel with the father-in-law's family. Showing great interest in the Word, six of them received Christ into their heart. We praise the Lord for this opportunity to share the gospel

as we open our home on these special occasions.
