

Reinholds: Missionaries to Mexico

Jehovah Jirah: God Provides

In December we found ourselves out of both of our ministry vehicles. We were without a vehicle a month and a half. God used us being broke down to minister to those we don't normally encounter in life. I am now pleased to say we are getting into a much newer and more dependable vehicle for our family. We want to express our sincere appreciation to all the churches and individuals who got on board in fulfilling this special need in our ministry. We especially felt your sacrificial giving and prayers to quickly get us back on the road in the ministry God has called us to fulfill. We truly are laborers together.

The Right Salesman

Several things in the process of purchasing a car did not go according to our own plans and timing and at times we thought we might be better off with another salesman, however, Noe was the right one. When we look for opportunities in difficult times they may be right in front of us. At times we were not pleased with Noe, but we still have to ask ourselves if we are being a light and will be able to share Christ in the encounter. I'm happy to say we were able to witness to Noe, and he was very receptive and willing to set an appointment for further talks with he and his wife.

Progress in the building of Iglesia Bautista Vida Nueva

Our church in Altamira, Tamaulipas has been one of the most faithful churches that we have started. This past year God has richly blessed them with help towards the finishing of their new auditorium. Their own family has been laboring not only spiritually but physically day and night toward future completion of this auditorium. This church has just celebrated another anniversary since we started the mission 22 years ago. Daniel and Martha along with their children will be richly rewarded for their faithful sacrificial service to the Lord. Most will forget those names in a few weeks of reading this letter but all of us will hear those names again, when we stand before God, rejoicing with them when God says well done. In this letter I just wanted you to know that we are not the only ones you have invested in over the years and your investment has continued to bear fruit to your account throughout a number of ministries, one of which is the ministry of Daniel and Martha. Please continue to pray for them as well. What a wonderful couple.
