Psychology, Forensic Specialization

Clinical Service Experience

Lifemark Sunridge - Lifemark Health Group

- July 2025 – present
- Registered Psychologist
- Collaboration with the Partners in Canadian Veterans Rehabilitation Services to provide effective Veteran-centred care using a biopsychosocial approach with interdisciplinary rehabilitation teams (i.e., physiotherapy, kinesiology, psychology, occupational therapy, rehabilitation specialists, and case coordinators).
- Formal assessment responsibilities include interdisciplinary consultation, file review, test selection, clinical interview, test administration, interpretation of results (e.g., MCMI-IV, TSI-2-A, BHI-2), and integrated report writing to provide diagnostic impressions and treatment recommendations.
- Intervention responsibilities include providing individual evidence-informed treatments in relation to trauma- and stressor-related disorders, depressive disorders, anxiety disorders, substance-related concerns, and chronic pain. Intervention responsibilities also include working within interdisciplinary team to facilitate cohesive physical and mental health treatment programs.
- Clinical consultation, leadership, and knowledge translation on mental health related topics such as ethical decision making, evidence-based assessment and treatment, and suicide risk assessment.

Lifemark Meadowlark Centre - Lifemark Health Group

- September 2023 – July 2025
- Registered Psychologist
- Collaboration with the Partners in Canadian Veterans Rehabilitation Services to provide effective Veteran-centred care using a biopsychosocial approach with interdisciplinary rehabilitation teams (i.e., physiotherapy, kinesiology, psychology, occupational therapy, rehabilitation specialists, and case coordinators).
- Formal assessment responsibilities include interdisciplinary consultation, file review, test selection, clinical interview, test administration, interpretation of results (e.g., MCMI-IV, TSI-2-A, BHI-2), and integrated report writing to provide diagnostic impressions and treatment recommendations.
- Intervention responsibilities include providing individual evidence-informed treatments in relation to trauma- and stressor-related disorders, depressive disorders, anxiety disorders, substance-related concerns, and chronic pain. Intervention responsibilities also include working within interdisciplinary team to facilitate cohesive physical and mental health treatment programs.
- Created and facilitate an 8-session, 8-week group psychoeducation program on mental health (e.g., sleep hygiene, emotion regulation) for clinic clients.

¹ Formerly Mundy

- Clinical consultation, leadership, and knowledge translation on mental health related topics such as ethical decision making, evidence-based assessment and treatment, and suicide risk assessment.

Edmonton Early Psychosis Intervention Clinic - Alberta Health Services

- September 2022 – September 2023
- Psychologist (II)
- Specialized mental health clinic aimed at improving clinical and functional outcomes for individuals experiencing a first-episode psychosis.
- The multi-disciplinary team included Psychiatry, Psychology/Neuropsychology, Mental Health Therapists, Occupational Therapy, and Social Work.
- Advanced clinical psychological assessment, diagnosis, treatment, rehabilitation, clinical leadership, and program development for complex client pathologies.
- Created and facilitated a 24-session, 12-week CBT for Psychosis group treatment program for young adults.

Residency Primary Rotation –Adult Brain Injury Outpatient

- March – August 2022
- Supervised by Dr. Norm Thoms, R. Psych (CAP #2914)
- Intervention responsibilities included delivering individual evidence-informed treatments for mental health issues (e.g., anxiety, depression) related to a brain injury.
- Assessment responsibilities included participation in test selection, clinical interview, test administration, interpretation of results, and integrated report writing for individuals referred to the Stroke Assessment Clinic.
- Primary issues targeted were acquired brain injuries via trauma, stroke, Alzheimer's, other dementias, epilepsy, primary brain tumours, Parkinson's, etc.

Residency Minor Rotation – Forensic Adult Outpatient

- March – August 2022
- Supervised by Debra Jellicoe, R. Psych (CAP # 4101)
- Intervention responsibilities included facilitation of the Provincial Family Violence Treatment Program's 16-week men's group for interpersonal violence. Provided treatment also included individual evidence-informed treatment with clients referred to Forensic Assessment and Community Services following parole or probation.
- Primary issues targeted were criminal justice system involvement, mood disorders, personality disorders, and substance abuse.

Residency Primary Rotation – Forensic Adult Inpatient

- September 2021 – February 2022
- Supervised by Dr. Andrew Haag, R. Psych (CAP #2734)
- Assessment responsibilities included consultation, file review, collateral interviews, interviews, and integrated report writing related fitness to stand trial, not guilty on account of mental disorder (NCRMD), and Alberta Review Board annual reviews.
- Primary issues targeted were bipolar disorder, schizophrenia, psychosis, personality disorders, substance-induced cognitive decline.

Residency Minor Rotation – Pediatric Outpatient

- September 2021 – February 2022
- Supervised by Dr. Heather Dyck, R. Psych (CAP #4766)
- Intervention responsibilities included outpatient, family-based psychological intervention for children and youth (ages 2-17) on referral from pediatricians.
- Primary issues targeted were adjustment to chronic illness, anxiety, depression, disruptive behavior, and parenting challenges.

Kelty Key Clinical Advanced Practicum

- May 2020 – December 2020
- Supervised by Dr. Claire Sira, R. Psych (CHCPBC #1837)
- Intervention responsibilities included providing brief, structured interventions for common mental health challenges across British Columbia during the COVID-19 pandemic.
- Primary issues targeted were anxiety, chronic pain, complicated grief, depression, family support, insomnia, panic, and substance use problems.

Adult Forensics Psychiatric Services Advanced Practicum

- September 2019 – March 2020
- Supervised by Dr. Kimberly Kreklewetz, R. Psych (CHCPBC #1941)
- Assessment responsibilities included planning and preparing biopsychosocial assessments. The assessments were pre- and post-disposition reports for British Columbia provincial courts in the Central Okanagan region.

Psychological Assessment and Treatment Advanced Practicum

- July 2019 – July 2020
- Supervised by Dr. Jessica Driscoll, R. Psych (CHCPBC #2231).
- Intervention responsibilities included documenting and delivering a range of individual evidence-informed treatments for complex mental health issues such as complex trauma, chronic pain, chronic medical issues, and personality disorders.

Psychological Assessment Basic Practicum – Senior Graduate Student

- July 2019 – March 2020
- Supervised by Dr. Harry Miller, R. Psych (CHCPBC #1205).
- Responsibilities included standardized administration of a variety of neuropsychological instruments and participation in test selection, clinical interview, test administration, interpretation of results, integrated report writing, and providing clinical feedback.
- Responsibilities also included observing, training, and providing feedback to junior clinical graduate psychology students in the above tasks.

Youth Forensics Psychiatric Services Advanced Practicum

- August 2018 – August 2019
- Supervised by Steve Sigmond, R. Psych (CHCPBC #432).
- Assessment responsibilities included some planning of biopsychosocial assessments including interview, cognitive (e.g., WAIS-IV), personality, and other psychological assessment for pre- and post-disposition reports.
- Intervention responsibilities included delivering individual empirically based therapy for violent offending, sexual offending, and other general mental health issues with criminally involved youth.

Psychological Assessment and Treatment Basic Practicum

- July 2018 – June 2019
- Supervised by Dr. Jessica Driscoll, R. Psych (CHCPBC #2231) and Dr. Kimberly Kreklewetz, R. Psych (CHCPBC #1941).
- Intervention responsibilities included delivering individual evidence-informed treatments for mental health issues (e.g., anxiety, depression).

Weight Watchers International Clinical Trial (Research)

- July 2018 – August 2018
- Supervised by Dr. Lesley Lutes, R. Psych (CHCPBC #2205).
- Responsibilities included conducting phone screens and randomization visits with study participants.

Post-Traumatic Stress Disorder and Cannabis Clinical Trial (Research)

- November 2017 – March 2020
- Supervised by Dr. Zachary Walsh, R. Psych (CHCPBC #2011).
- Assessment responsibilities included administering and scoring the Clinician-Administered PTSD Scale for DSM-5 (CAPS-5).

Psychological Assessment Basic Practicum

- July 2017 – June 2018
- Supervised by Dr. Harry Miller, R. Psych (CHCPBC #1205).
- Responsibilities included standardized administration of a variety of neuropsychological instruments and participation in test selection, clinical interview, test administration, interpretation of results, and integrated report writing.

Independent Contractor – Ministry of Children and Family Development

- November 2012 – September 2013
- Behaviour Interventionist
- Worked with the Okanagan Centre for Autism Intervention.
- Provided Early Intensive Behaviour Intervention programming for children diagnosed with an autism spectrum disorder; the programming incorporated both structured teaching and natural environment teaching.

John Howard Society – Community Reintegration Services

- June 2012 – August 2012
- Program Support Worker
- Supported the Volunteer Coordinator by attending parole meetings, performing client and volunteer screenings, organizing volunteers, engaging in case planning and management, and conducting administrative duties.

John Howard Society – Bedford Place (Second Stage Recovery)

- April 2012 – August 2012
- Support Worker
- Performed client intakes, engaged in case planning and management, life skills training, and conducted administrative duties.

John Howard Society – Adult Restorative Justice Practicum

- January 2012 – April 2012
- Supervised by John Manolakos, Restorative Justice Lead.
- Undergraduate practicum student; completed 160 hours.
- Performed client screenings, Forums, and Resolution Meetings; built rapport and assisted with clients as needed; engaged in case planning and management; and conducted administrative duties.

Elizabeth Fry Society – Specialized Victim Assistance Practicum

- July 2011 – August 2011
- Supervised by Maria Lowen, Social Worker
- Undergraduate practicum student; completed 160 hours.
- Performed client screenings, intakes, and follow-up appointments; attended court with clients; engaged in case planning and management; and conducted administrative duties.

John Howard Society – Community Reintegration Services

- August 2010 – August 2012
- Client Support Worker
- Worked with federal offenders on conditional release within the community. Attended volunteer meetings; assisted clients by providing social support, conducting needs assessments, assisting with accessing skills, education, or employment support; and conducted administrative duties.

Treatment Modalities

Modalities Informing Treatment

- Cognitive Behavioural Therapy
- Acceptance and Commitment Therapy
- Dialectical Behavioural Therapy
- Attachment-Based Therapy
- Insight-Oriented Therapy

Manualized Protocols Available

- Cognitive Processing Therapy (PTSD)
- Narrative Exposure Therapy (Complex Trauma)
- Prolonged Exposure Therapy (PTSD)

Clinical Certifications

- Certified Clinical Trauma Professional (Level 2; June 2025)
- Certified Clinical Trauma Professional (Level 1; April 2025)

Additional Clinical Training (abbreviated)

Ongoing:

- 3-Day Dialectical Behaviour Therapy Certification: Practical Clinical Applications for Trauma, Comorbidities, Addiction, and More
- Adapting Dialectical Behaviour Therapy for Everyday Clinical Needs

Completed:

- Suicidal and High-Risk Clients: Assessments and Interventions (PESI, July 2025)
- Complex Trauma Certification Training: Interventions from EMDR, Parts Work, CPT, and Polyvagal Theory; Certified Clinical Trauma Professional (PESI, June 2025)
- Certified Clinical Trauma Professional Intensive Training Course (PESI; April 2025)
- Differential Diagnosis Challenges: Clients with Trauma, Self-Injury, Impulsivity and Other Complex Behaviors (PESI; April 2025)
- 2-Day Prolonged Exposure Therapy for PTSD: Move Clients from Fear to Freedom with Safe, Evidence-Based Trauma Treatment (PESI; June 2024)
- 2-Day Narrative Exposure Therapy Fundamentals (NET Institute; March 2024)
- Military Culture: Core Competencies for Healthcare Professionals (Veterans Health Administration; December 2023)
- 2-Day Cognitive Processing Therapy (CPT) for Posttraumatic Stress Disorder: Foundational Training (Lifemark via CPT Approved Trainer; November 2023)
- Military Culture for Non-Military Psychologists (APA; October 2023)
- Gottman Method Couple's Therapy (Level 1; October 2017)
- San'yas Indigenous Cultural Safety Training (PHSA; June 2017)

Conference Presentations

Arenzon, V., Curtis, A., de Almeida, H., & **Mundy, C.** (June 2023). *Overlap between sexual interest in pedophilia, hebephilia, and teleiophilia*. Paper presented at the 5th North American Correctional Criminal Justice Psychology Conference (NACCJPC) in conjunction with the 84th Annual National Convention of the Canadian Psychological Association. Toronto, Ontario.

Davies, H. & **Mundy, C.** (June 2023). *Minor-attraction making men miserable? Link discovered between pedohebephilic sexual interest amongst men and the experience of negative emotion*. Poster presented at the 5th North American Correctional Criminal Justice Psychology Conference (NACCJPC) in conjunction with the 84th Annual National Convention of the Canadian Psychological Association. Toronto, Ontario.

Davis, B., **Mundy, C.**, & Babchishin, K. (June 2023). *What's God got to do with it?: The relationship between sadism, masochism and religion*. Poster presented at the 5th North American Correctional Criminal Justice Psychology Conference (NACCJPC) in conjunction with the 84th Annual National Convention of the Canadian Psychological Association. Toronto, Ontario.

Nasim, M. & **Mundy, C.** (June 2023). *The relationship between sexual sadism and sex drive*. Poster presented at the 5th North American Correctional Criminal Justice Psychology Conference (NACCJPC) in conjunction with the 84th Annual National Convention of the Canadian Psychological Association. Toronto, Ontario.

Vettese, A., & **Mundy, C.** (June 2023). *Substance use is associated with exhibitionism but not voyeurism: Findings from an online sample of adults*. Poster presented at the 5th North American Correctional Criminal Justice Psychology Conference (NACCJPC) in conjunction with the 84th Annual National Convention of the Canadian Psychological Association. Toronto, Ontario.

- Mundy, C.** (June 2022). *Exploring heterogeneity among non-offending child-attracted persons*. Paper presented at the 83rd Annual Canadian Psychological Association (CPA) Convention, Calgary, Alberta.
- Mundy, C. & Laverty, E.** (October 2021). *Exploring the relationship between self-esteem and abuse in romantic and sexual relationships via youth self-reported experiences across time*. Poster presentation at the Canadian Sex Research Forum 2021 Virtual Annual Meeting.
- Mundy, C., & Cioe, J. C.** (August 2019). *Development and psychometric properties of stigma measures for minor-attracted persons*. Poster presentation at the 38th Annual Research and Treatment Conference sponsored by the Associated for the Treatment of Sexual Abusers, Atlanta, Georgia.
- Mundy, C., & Terran, M.** (September 2018). *Constructing a brief intervention to reduce stigma towards minor-attracted persons*. Round table discussion at the B4U-ACT Research on Minor-Attracted People: Expanding the Focus Symposium, Baltimore, Maryland.
- Walters, A., **Mundy, C., & Cioe, J. C.** (September 2018). *Lay perceptions of non-offending pedophilia*. Paper presentation at the B4U-ACT Research on Minor-Attracted People: Expanding the Focus Symposium, Baltimore, Maryland.
- Neufeld, A., **Mundy, C., & Wells, S.** (January 2018). *Indigenous clients' perspectives on delegated child protective services*. Poster presented at the Society for Social Work and Research 22nd Annual Conference, Washington, DC.
- Musolino, E., **Mundy, C., O'Connor, B., & Cioe, J. C.** (June 2017). *Evidence for a new, five-class typology of provincial male sexual offender and offence characteristics*. Poster presented at the 78th Annual Canadian Psychological Association (CPA) Convention, Toronto, Ontario.
- Zahirfar, I., **Mundy, C., & Cioe, J. C.** (April 2017). *It's her fault she got raped: Attitudes and perceptions toward sexual assault*. Honours project presented at the 12th Annual Irving K. Barber School Undergraduate Research Symposium, Kelowna, British Columbia.
- Zahirfar, I., **Mundy, C., & Cioe, J. C.** (January 2017). *Since he spent a lot of money on her, it's OK for her to be raped?* Poster presented at the 18th Annual Society for Personality and Social Psychology Convention, San Antonio, Texas.
- Mundy, C., O'Connor, B., & Cioe, J. C.** (June 2016). *Offender and offence characteristics: Assessing the heterogeneity of male sexual offenders through the typological approach*. Poster presented at the 77th Annual Canadian Psychological Association (CPA) Convention, Victoria, British Columbia.
- Zahirfar, I., **Mundy, C., & Cioe, J. C.** (June 2016). *Individual differences and the acceptance of forced sex*. Poster presented at the 77th Annual Canadian Psychological Association (CPA) Convention, Victoria, British Columbia.
- Zahirfar, I., **Mundy, C., & Cioe, J. C.** (April 2016). *Individual differences and the acceptance of forced sex*. Poster presented at the 11th Annual Irving K. Barber School Undergraduate Research Symposium, Kelowna, British Columbia.
- Musolino, E., **Mundy, C., & Cioe, J. C.** (November 2015). *Female bodybuilders and perceptions of physical attractiveness and sexual orientation*. Poster presented at the Annual Conference of the Society for the Scientific Study of Sexuality, Albuquerque, New Mexico.
- Mundy, C., & Cioe, J. C.** (October 2015). *An investigation into paraphilic interests of an online sample*. Poster presented at the 42nd Annual Conference of the Canadian Sex Research Forum, Kelowna, British Columbia.

Black, P. J., **Mundy, C.**, & Porter, S. (August 2015). *The influence of presentation medium on detecting high-stakes, emotional lies*. Paper presented at the Annual Conference of the European Association of Psychology and Law, Nuremberg, Germany.

Black, P. J., **Evanoff, C.**, Porter, S., & de la Fuente Vilar, A. (June 2015). *What lies beneath: Explicit versus implicit detection of high-stakes lies*. Poster presented at the Society for Applied Research in Memory and Cognition (SARMAC) Conference, Victoria, British Columbia.

Musolino, E., **Evanoff, C.**, & Cioe, J. C. (June 2015). *The social perception of female bodybuilders*. Poster presented at the 76th Annual Conference of the Canadian Psychological Association, Ottawa, Ontario.

Evanoff, C., Black, P., & Porter, S. (May 2012). *The influence of presentation modality on deception detection accuracy*. Honours project presented at the Annual Connecting Minds Undergraduate Research Symposium, Richmond, British Columbia.

Evanoff, C., Black, P., & Porter, S. (April 2012). *The influence of presentation modality on deception detection accuracy*. Honours project presented at the 7th Annual Irving K. Barber School Undergraduate Research Symposium, Kelowna, British Columbia.

Industrial/Organizational Experience

Project Canary Org (June 2021 – June 2024)

- Director & Co-Founder; Non-Profit Organization

Alberta Health Services Working Group (November 2021 – March 2022)

- Long/Post COVID Psychosocial-Spiritual Service Model

Canadian Public Health Association (March 2021 - May 2021)

- Analyzing, reporting, and knowledge translation of data related to dating violence and Canadian youth.

O'Neil Casavant Projects Ltd. (December 2020)

- Creation and administration of the 2021 BC Parent COVID-19 Response Survey.

Academic Research Experience

Research Assistant for Dr. Jan Cioe (September 2015 – April 2021)

Research Assistant for Dr. Susan Wells (May 2015 – April 2016)

CFI Lab Manager for Dr. Susan Wells (September 2014 – April 2016)

Research Assistant for Dr. Susan Wells (February 2013 – June 2014)

Project and Centre Management for Dr. Susan Wells (February 2013 – June 2014)

Research Mentorship

2020	Zainah Azam (Directed Studies) Ishika Bhambhani (Directed Studies)
2019	Keeley Lainchbury (Directed Studies) Hailee Lewis (Honours)
2018	Maia Terran (Directed Studies) Aravis Walters (Honours)
2017	Iman Zahirfar (Honours)
2016	Iman Zahirfar (Directed Studies)

Teaching Experience

University of Alberta Clinical

Lecturer

- Department of Psychiatry (2023 – current)

University of British Columbia – Okanagan Campus

Sessional Instructor

- Personality (2019)
- Psychological Aspects of Human Sexuality I (2018)
- Sexual Offending and Deviant Sexual Behaviour (2018; 2019)

Clinical Teaching Assistant

- Interprofessional Clinic Graduate Assistant (2019)

Lab Instructor

- Advanced Research Methods and Statistics (Dr. Brian O'Connor, 2018)
- Research Methods and Statistics Laboratory (Dr. Jan Cioe; 2017)
- Research Methods and Statistics Laboratory (Dr. Zachary Walsh; 2015)

Teaching Assistant

- Teaching assistant for 22 courses, including developmental, biopsychology, research and statistics, drugs and behaviour, personality, and special topics courses (2011-2021).
