

## 2024 Firewise Community Renewal

Alpine Heights Residents:

It's time to begin preparing for renewal of our status as a Firewise Community for 2024. This status is important for all of us. Insurance companies use data from Google Earth and Firewise USA to determine insurance eligibility and insurance rates. Many insurance companies, including Allstate, USAA, Nationwide, and State Farm offer discounted rates to residents that reside in a recognized Firewise community and have mitigated risk to their property.

To maintain our Firewise Community status in 2024 the Alpine Heights neighborhood needs to show that we spend an average of \$31.80 per household on Firewising expenses in 2024. This includes all property landscape maintenance, brush and debris clean up, tree trimming and tree removal during the 2024 calendar year. The combination of our individual Firewising efforts and the expense for our community brush pick up will meet this requirement, but the information must be collected and submitted.

Your expenses include all Firewising and landscape maintenance costs paid for services and the number of hours **you** spend Firewising your property during 2024. The information totaled for the community will maintain our certification.

**Please complete the information below regarding any work completed in 2024 and return by November 1, 2024 or bring it to the annual meeting:**

Name: \_\_\_\_\_(optional)

Address: \_\_\_\_\_ Lot #: \_\_\_\_\_

Contractor services total costs: \_\_\_\_\_ Periodic or one time service: \_\_\_\_\_

Home owner work in man hours: \_\_\_\_\_ and costs (i.e. tools, dump fees, etc.) \_\_\_\_\_

Volume of material removed (i.e. truck or trailer loads, garbage can loads): \_\_\_\_\_

**Mail form to Alpine Heights HOA, P.O. Box 355, Payson AZ 85547**

**Or email to: [ahpaysonboard@gmail.com](mailto:ahpaysonboard@gmail.com)**

Thank you for taking this simple step to help our community maintain our Firewise status for 2024.

Pete Wagner  
Alpine Heights Firewise Coordinator
