AHHOA Potluck Luncheon May 9th

Thanks for being Firewise

A big win for our neighborhood as 10 tons of branches and brush were hauled off during AHHOA Firewise Day. Clearing material away from your house and removing growth close to the ground prevents the spread of fire. Please document your time and money invested by using the response form on the Firewise tab of our website:

www.alpineheightshoa.com

Our Spring Potluck is Noon Saturday 5/09 at Holy Nativity Church. We'll provide the entrée and drinks. For last names between A & M, bring a salad or veggies. Last names between N & Z, bring a desert or fruit. We'll have a 50/50 raffle benefiting the Humane Society of Central AZ. Half the money goes to the critters; the other half to a lucky winner.

**Please RSVP with the number of guests to
ahpaysonboard@gmail.com**

They're Diggin' It

Work continues to level the land for a new 400,000 gallon water tank at the top of Hillcrest Dr. In June, the foundation and service lines are scheduled to be installed. Additional storage capacity helps everyone in the event of fire.

Before you paint, re-roof or change the exterior of your property...

complete an ARC review request form found at www.alpineheightshoa.com Generally speaking, most work to the outside needs approval **before** it starts. The Architectural Review Committee helps keep Alpine Heights looking good and that maintains everyone's property value.
