Way 2 Go!!

Thanks to everyone who participated in this year's Firewise brush clean up. The response was phenomenal:

19,160 lbs. of brush were picked up (almost 10 tons)

40 pickup loads – **50** trailer loads – **101** garbage cans

400 cubic feet of wood waste collected

\$83,422 in labor and expenses

62 owners submitted Firewise documents

Minimize the chance of fires in Alpine Heights by trimming your trees and brush. **Be wise...Firewise your property!**

Special thanks to Pete Wagner for his hard work and coordinating this year's successful campaign.

Four Take Aways For November

Trim vegetation around fire hydrants – makes it easier for firefighters to find them

Boats, RV's, Trailers should be parked alongside your house whenever possible

Don't feed the elk – they can charge and cause injury. Plus, there's a hefty fine \$\$ if you're caught

Short term rentals (less than 6 months) are not allowed. We enforce that restriction.

If you see or suspect a short-term rental, please let us know: ahpaysonboard@gmail.com

There's So Much To Be Thankful For...

Living in the most beautiful & scenic part of Payson

Friendly neighbors who are ready to lend a hand

The many elk that roam (and munch) throughout Alpine Heights

Visits by friends and loved ones during this holiday season
