# MARCH 2020

- At the tail end of March, several guardsmen of the 139th Regional Support Group (RSG) were called to serve in response to COVID-19, a nationwide pandemic. The 139th RSG quickly set up a Unified Logistics Element and warehouse in Baton Rouge.

# April 2020

- By April, the 139th RSG swiftly moved into action. Operations ranged from packaging food at food banks to running test sites to delivering ventilators all over Louisiana. No task was too great or diverse for the 139th RSG to handle.

# May 2020

- In May, 139th RSG guardsmen continued their efforts against COVID-19 through daily delivery missions. PPE was being delivered as quickly as it was requested all throughout Louisiana.

# June 2020

- By June, 139th RSG guardsmen were still running 24 hour operations. Shipments of PPE were being delivered and shipped at all hours of the day and through the night. The bottom right picture depicts a safety brief being given to a group of night shift drivers.

# July 2020

- As July arrived, local support for the guardsmen continued and strengthened. Home cooked meals, gift bags, and handwritten notes were given to guardsmen in appreciate for their efforts.

# History In The Making

- Thanks to the efforts of every individual guardsman, the 139th Regional Support group was able to aid in the fight against COVID-19 with both effectiveness and efficiency.
