

What is the *Interfaith* CommUNITY Benevolent Fund?

Our benevolent fund enables us to do kind things for others when they are in need. An example of someone who had feelings of benevolence was Mother Theresa.

We have the opportunity to support 3 Iowa kids on their mission!

Three Iowa kids have found the solution to providing needed food and supplies to those divested by the August Derecho (Land Hurricane) in Iowa. 1,000 homes & businesses in Cedar Rapids and Marion remain uninhabitable with many people living in tents without access to electricity, water or food.

These are the grandkids of our Suzanne and Steve Blomme. Suzanne reports they have learned about fundraising and being of service to others. They have collected funds and made numerous deliveries to local relief shelters ~ and want to continue their mission.

You and Interfaith CommUNITY can support Emily, 15, Mathew, 13, and Jax. 11 in continuing their mission to serve others! **Please consider a donation of \$10 to \$20.** Your tax deductible donation can be made to Interfaith CommUNITY benevolent fund. Just make your donation on our website Pay Pal (www.interfaith-community.org), your Zelle account (to Interfaith CommUNITY), or mail check to 2349 E Glenrosa Ave., Phoenix 85016. Add a note “for IOWA”. We will be accepting funds until September 30.

IOWA Strong!
