# You're Probably Wondering...

**Q: What types of events do you handle?**

A: We specialize in all kinds of celebrations – weddings, birthdays, anniversaries, bridal showers, corporate events, and pretty much anything worth celebrating! Basically, if it's a party, we've got you.

**Q: Do you only coordinate, or do you also handle décor and rentals?**

A: We do it all! From planning and coordinating the day-of timeline to styling the space and providing curated rentals, we make sure every detail comes together beautifully so you can enjoy your event stress-free.

**Q: How far in advance should I book?**

A: As soon as you know you want me involved! Most couples and clients book 6-12 months in advance, but we've successfully handled events with shorter timelines too. The earlier, the better – but don't worry, we'll make it work.

**Q: Do you provide rentals for all events?**

A: Yes! From linens to décor accents, we provide a curated selection of rentals to bring your vision to life – all in one place so you don't have to stress over sourcing everything yourself.

**Q: Will you be on-site during the event?**

A: Absolutely. We're your behind-the-scenes bestie, making sure everything runs smoothly, timelines are on point, and every detail is perfect – so you can actually enjoy the celebration.

**Q: How involved do I need to be in planning?**

A: Totally up to you! Some clients love being hands-on, others just want to show up and celebrate. We tailor our process to fit your style and comfort level – always keeping you informed without overwhelming you.

**Q: What makes you different from other planners?**

A: We don't just coordinate – We style, decorate, and provide rentals too. Think of us as your one-stop-shop for a beautiful, seamless, stress-free event, with a little extra magic sprinkled in. Plus, we bring calm, organized, bestie-level support to the whole process.
