Chronic Wasting Disease UPDATE:

The North Carolina Wildlife Resources Commission has **lifted the ban** for all primary and secondary CWD counties so that deer can be transported across county lines; **therefore participants may now enter deer legally harvested in the CWD primary and secondary counties.**

Deer harvested outside of Duplin County **must be removed** from the Event Center premises and **disposed of in accordance** with the following NCWRC regulations:

- in a lined landfill
- buried 3 ft. below ground and 300 ft. away from a water body, or
- lawfully left on the ground within the county of origin

(Go to NCWildlife.gov for complete CWD information.)
