Online Showcase Invite

Copy, Edit and Paste to Text out to Invite or Voice message the following Script individually to Invite.

Voice Invite

 Hello (Name), Hope you're doing well.

I'm reaching out because I recently partnered with a new proactive wellness company and I'm building a global distribution center.

I think you're the perfect person to take a look at what I'm doing now because…
(genuine compliment like; I know you love cutting edge wellness or you have a great business mind) etc..

I'm hosting an online showcase on (Date and Time).

If I sent you a link to listen in, would be open to taking a look for me?
 Or If I send you an invite, would you do me the favor of taking a look?

SEND voice message or TEXT

Wait for response…

Once they CONFIRM they can Attend, send Canva Invite and Zoom link so that all they have to do is click on the link to Join.

You have to REMIND them if you want them to show up!

Send reminders for those that confirmed 1 day before and 30 min before the actual showcase.

Remember for every 10 people you invite about 2 people will actually show up.
So INVITE, INVITE, INVITE!!!

You got this!!!
