A life of health and purpose

LEGACY MAKERS TEAM

Hello Brand Ambassador,

Here is a sample of how you can **INVITE** Health Professionals to take a look at THREE when In OFFICE or Over the Phone.

[You] Hi [Health Professional's Name], I hope you're doing well. My name is [Your Name], and I'm reaching out to discuss an exciting opportunity that could greatly benefit both your patients and your practice.

[Health Professional]: Hello [Your Name], nice to meet you. What opportunity are you referring to?

[You]: Have you ever considered offering industry-disruptive health supplements to enhance your clients' and patients' results? At Three International, we provide high-quality supplements that are designed to improve overall health and wellness, and I believe they could be a fantastic addition to your offerings.

[Health Professional]: That sounds interesting. Can you tell me more about these supplements?

[You]: Absolutely! Our supplements are backed by research, clinical studies, including an Epigenetic study and have been shown to deliver significant health benefits through 11 different cellular delivery modalities for increased absorption. By integrating them into your practice, you can help your patients achieve better results, which in turn can enhance your reputation as a healthcare provider.

[Health Professional]: That sounds promising. How does this work on the business side of things?

[You]: That's a great question. In addition to improving patient outcomes, there's also a financial incentive for you. By offering these supplements, you could potentially add anywhere from \$1,200 to \$12,000 or more per month to your bottom line. This creates a win-win situation where your patients receive superior care, and your practice sees a significant increase in revenue.

[Health Professional]: That definitely sounds appealing. How can I learn more about this?

[You]: I'd love to set up a time to provide you with more detailed information and answer any questions you might have. Can we schedule a quick call or meeting to discuss how Three International can benefit your practice?

[Health Professional]: Sure, that sounds good. Let's set up a time.

[You]: Great! I'll send you an email with some available times. I look forward to speaking with you and exploring how we can work together to enhance your patients' health and your practice's success.

Send them times available on <https://calendly.com/georgeandadrianneruiz/virtual-launch> to book a zoom or coordinate schedules with your sponsor.

We hope this was helpful!

Sincerely,

The LM Team
