

SUMMER ALGEBRA I CAMP

Purpose:

Camp will consist of less than 9 students. We focus on small groups so that each student can get the individual support they need. The content in the classroom may be subject to change according to the needs of the students. All students will be provided with initial assessments in math and/or reading. To provide students entering Algebra I an opportunity to improve their math knowledge skills to best prepare them to be successful in Algebra I.

Tuition

Tuition
Per Session Enrollment Fee: \$350 by June 1, 2024 Current AM tutoring students receive \$50 dollars off
