## Admissions Requirements

### For Advanced Certificate & Advanced Diploma Program

Minimum Grade 12 with 50% marks or equivalent Canadian qualification. If English is not a student's mother tongue, they are required to have an IELTS level 6.0 OR equivalent (in case of other testing standards) to be admitted to the course. If, on starting the program, their language proficiency proves to be significantly lower than what is expected of an IELTS 6.0, they will be required to take an English course at Focus College before being able to continue with their program studies.

### For Post Graduate Diploma Program

*Minimum Bachelors Degree with 50% marks in Computer Science or related fields (in case of Bachelor degree in unrelated field, minimum 1 year experience in related field is required) or Equivalent Canadian qualification OR minimum 3 years relevant experience. Students from Non English speaking countries/territories will have to demonstrate their English proficiency at minimum IELTS Band level 6.0 OR equivalent (In case of other testing standards). If there is no proof of English proficiency or lower English proficiency level, students will have to take an English course at Focus College.*
