

**International Tours: Egypt** is our main target for September/ October 2026. If you are interested, contact Linda at [lgalenzoski@accesscomm.ca](mailto:lgalenzoski@accesscomm.ca). Our group will meet in February to choose the trip that suits most of the travellers. Last week, the Grand Egyptian museum finally opened in Cairo. As quoted: A place that could finally do justice to 5,000 years of human history.

The Vietnam, Cambodia, and Thailand Tour will take place January 7, 2026. Fifteen travellers have made their deposits, so the tour is now sold out.
