

## ONLINE CLASSES CONSENT

To take part in our new online classes, we require all participants to agree to the below precautionary rules and our disclaimer. These rules are in place for the health & safety of everyone - without a completed form, you will not receive links to classes moving forward. Only known participants/registered students are permitted to take part.

### Online classes - our rules and what you need to know and have to take part:

- A bottle of water - please stay hydrated but keep any liquids a safe distance away
- A parent/guardian/adult in the room and directly supervising - do not carry out these videos if at home alone
- A large clear space to carry out moves safely (2m sq ideally, with 2m clearance from ceiling) - move anything valuable, fragile or obstructive out of the way to avoid injury or damage and make sure the floor is not slippy
- The correct dance wear - please wear appropriate clothing/footwear for the space you're dancing in - do not over-layer clothing and avoid footwear that may cause slips/trips

**If the person taking part is unable to follow the instructor's instructions they should cease the class immediately until it is possible to ask the instructor for further guidance. No more than 2 persons (plus one supervising adult) are permitted in a single space for safety reasons and to avoid injury.**

Our Online Classes have been tailored to be completed safely at home. That being said, there's always an element of risk attached to any sport done at home, so please utilise items like rugs/cushions etc. to support your child during any lesson and supervise accordingly.
