**CHECK OUT PROCEDURES**

**Family Area Sites (#1 - 110) Check Out is by 11AM.\***

No security deposits are held for Family Area sites # 1 - 110. After packing up & taking garbage to a dumpster, please leave your car pass at the office.

**GROUP SITES #201 - #250: CHECK OUT IS BY 11AM.\***

Upon arrival, group site leaders leave a cash security deposit at the office. Group site checks (for return of this deposit) are available between 8 AM & 11 AM.

- > After the site is vacant; that is, after all gear is packed up, the site is clean, fires are out, garbage has been taken to the dumpster & everyone is off the site:
- > The group leader should stop at the office, turn in all car passes, and notify staff the site is ready to be checked. One of our staff will be asked to check the site. This could take 15 minutes or so depending on how many other groups are checking out. Things staff checks for includes but is not limited to: - -Damage to trees & tables.- -Glass and/or garbage in the fire ring.- -Litter, garbage, and toilet paper on your site or in the woods around your site - -Rocks moved from between your site & its parking area.- -Extra, rebuilt, or moved fire rings.
- > You are welcome to wait on the office porch. If everything is okay, the security deposit will be returned to the group leader. (A signature is required for the return of the deposit.)

**Group Leaders:** If you are leaving before 8 a.m., you can request the deposit be mailed to you or returned to another group member on the sign-in sheet for your site. If you will not be the person picking up the deposit, please inform the staff.

\*To avoid additional fees (in both areas), everyone needs to be off the site by 11 am.

We appreciate your cooperation in keeping the campsites clean for the next campers due into the site.

**CLEANING UP**

A limited number of trash bags are available at the office during store hours. There are 2 dumpsters on grounds for trash disposal.

**RECYCLING**

Aluminum Cans can be separated & left with camp staff at the office. Only Aluminum cans should be in recycling bags.
