Hello fan,

Release date for Zombow life!

We do have a release date for Zombow's Life. Drumroll please? Dun Duh Duh Duh... September 30!

It takes a long time to animate a cartoon. We are working VERY hard. If this gets delayed, do not be sad because.... THE BOOK is coming even sooner. It is literally up to the publisher or even if we get accepted but, I am pretty sure it will not be delayed on my part.

The team and I have been working hard and a special thanks to all these people. You know who you are.

Ashton Jorn, Keegan Rhodes, Even Copeland. Ayden Connor.

Lots of love,

Zaidyn Jorn
