Dear Esteemed Supporter,

We Invest in Our Marriage (WIM), is a 501(c)3 non-profit membership organization established in 2012. At WIM, our mission is to foster healthy, thriving marriages that form the foundation of strong families and communities. We recognize that marriage is not just a personal commitment but a social contract with far-reaching impacts on the well-being of children, families, and society as a whole. Our programs are designed to support couples through every stage of their relationship by providing the resources, tools, and guidance necessary to navigate challenges and grow together in love and partnership.

This letter serves as an official invitation requesting your support in being a sponsor for our 8th Annual Fundraising Love Gala. As a sponsor, WIM will promote your company at our events based on the level of sponsorship you select.

Please take a moment to explore our affordable sponsorship package. Consider adding an AD to our booklet to showcase your company and business to the diverse individuals who will be in attendance. Why sponsor you might ask:

Your sponsorship will help in continuing WIM's mission. By helping couples strengthen their bond, we believe that the ripple effect of a healthy marriage extends far beyond the couple. Healthy marriages contribute to family stability, which in turn fosters emotionally and mentally resilient children. Stable families are less likely to experience poverty, reducing the strain on community resources. In addition, they contribute to the economic, emotional, and social well-being of the broader community.

We urge you to join us at our upcoming gala, and through sponsorship. Your support means the world to us as we continue in our dedication to creating a community where families thrive.
