ALL Out Aerial
Miles City, MT

Mapping/Photogrammetry Pricing
Effective Jan. 2026

Note:

Mapping and 3D objects rely heavily on the project. These numbers are rough and will most likely not be exact for your project.

<u>- Hourly Rate</u> (Singular Buildings, Smaller Maps)

- Flight and Map - $250/Hour with a 1 hour minimum
- Post Processing - $100/Hour no minimum

- Day Rate (Multiple Buildings, Complexes, Larger Maps)

- Flight and Map $500-$1200/Day
- Post Processing - $100/Hour no minimum

- Downpayment will be required before pre-flight occurs

- Preflight: This is an extensive process that happens behind the scenes.
  - I will acquire airspace authorization (will require minimum 72 hours in advance to scheduling to ensure FAA waivers have enough time to be approved)
  - I will set up points for proper data collection
  - Set up flight plan

These numbers are found from extensive research and networking between other Remote Pilots.

- Deliverables

- Multiple Photos
- CAD-ready file with pre-imported textures

Other requests for deliverables are permitted if communicated upon scheduling
