Financial Policy

Thank you for choosing Green Country Veterinary Hospital. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet. An important part of the mission is making the cost of optimal care as easy and manageable for our clients as possible by offering several payment options. Green Country Veterinary Hospital requires payment in full at the end of your pet's examination and/or at the time of discharge. For your convenience, we accept cash, check, Visa, MasterCard or Discover Card. Green Country Veterinary Hospital charges \$25 for returned checks. Delinquent accounts will be charged 1.5% per month with a minimum of \$5.50.

If your situation requires alternate payment arrangements, you may apply for the CareCredit Healthcare credit card. If you are approved, benefits include:

- Allow you to begin treatment today and pay over time.
- Available for any treatment amount.
- Can be used repeatedly-for your entire family-without having to reapply.

For some treatments or hospitalized care, a deposit may be required. Treatment plans requiring comprehensive care of more than \$500 will require a 10% deposit to begin your pet's treatment.

For clients with pet insurance, we are happy to provide you with the necessary documentation to submit a claim to your insurance carrier.

If you have any questions, please do not hesitate to ask. We are here to provide the best veterinary care available for your pet.

By initialing below, you agree to the foregoing terms of payment.
