Snapshots—August 30th, 2025 Potluck by Olivia De Silva

The Monthly Potluck Dinner hit another record number. 72 members and friends attended the dinner and its popularity remains high! It was a happy occasion. Some attendees wore traditional Malaysian clothing such as batik, songkok, sarong, Baju Kebaya and Baju Kurung in celebration of Malaysia's Merdeka (Independence) or National Day on August 31st.

There was a wonderful buffet of 25 dishes and 15 desserts such as curries, rice, noodles, various other non-curry dishes, Pulut Panggang Sambal Udang, Rojak, rambutans, pecan pie and cakes, Taufu fa and other delights! Everyone enjoyed the karaoke music, game and lucky draw and dancing afterwards. It was a happy time of fellowship and fun!! Thank you all for sharing the wonderful time together.
