

# TO-GO SOLUTIONS

As we weather these unprecedented times, many foodservice operators have to suddenly change the way they run their businesses. At Hatco, we offer an array of equipment solutions to help make that transition much easier.

### GRBW-48

Holds boxed or bagged items in several convenient sizes

### PFST-2X

This unit offers eight-shelf rack and clear glass for order visibility

### FS3HAC-3626

These air curtains feature no front doors, allowing easy access and no barrier to the food

## TAKING ORDERS NOW

- 2, 3, 4 or 5 shelf units, shelves are 20" deep x 39" wide
- Touchscreen allows for separate heat control and timer with alarm for each shelf
- Stainless steel construction for quality, durability and ease of cleaning

GRS2G-3920-5

## COMING SOON

- These Heated and/or Ambient Lockers securely hold to-go orders
- POS integration possible via Outside vendors
- Security - Customer side doors locked until order code entered by customer
