

**Attention Racers, Spectators and Supporters of the Southern California Timing Association**

Because of the poor surface conditions on El Mirage Dry Lake there is a lack of courses for the SCTA to hold events. For this reason and the anticipated high temperatures in July the SCTA Board of Directors has voted to cancel the July 17<sup>th</sup> 2022 event. It is hoped that the upcoming Monsoon Season will provide some healing of the lakebed so that racing can continue in September.

We are sorry for this, but Mother Nature has left us with no choice but to cancel to ensure the safety of everyone concerned.

We look forward to seeing everyone at the Bonneville Salt Flats for Speedweek 2022 starting on the 6<sup>th</sup> of August.
