## YEAR 2021 EL MIRAGE COURSE PREPARATION

TO ALL S.C.T.A. CLUBS:

Each SCTA Club is required to send two members to help Lonnie Martin from the Sidewinders to do the race course preparation at El Mirage prior to each Lakes Meet. The schedule below will give a minimum of five (5) people per date. The penalty for not showing up for the duty is the forfeiture of all points for that club at the next upcoming Lakes Meet and the club's vehicles not being allowed to make the first round pass. (Individual racing points will still be awarded for the starting line-up positions.)

The clubs assignments and duty dates are listed below:
