

Honey Do Days

Saturday April 10th, 2021 - 7am till?

To All,

See details and lists below from earlier emails of what we are trying to accomplish Saturday April 10th at Honey Do Day at the SCTA building. We need at least 25 volunteers to tackle the much-needed maintenance on our property. SCTA will provide lunch and water.

Please bring the following with you:

- Your own mask to cover you face
- Sunscreen
- Hat, gloves
- Water, snacks
- Some general tools always help
- A couple of extra EZ-Up type sunshades could be utilized

From our Elmo Procedure I see under Maintenance:

Timing Trailer and Eq.	Gear Grinders
Emergency Response Trailer	Bill Lattin to supervise
Equipment Trailer	LSR
Tower Side Cone Trailer	Milers
Return Side Cone Trailer	Road Runners
Fence Trailer	SDRC
Announcer Trailer	Sidewinders
Motorcycle Trailer	Sidewinders
Registration Trailer	Super Fours

Gear Grinders

- Service timing trailer generator
- Replace batteries in the smoke alarm
- Spare tire?

Sidewinders

- Service announcer's trailer generator
- Service motorcycle trailer generator

General Tasks not specific to any Club:

- Finish any painting on house
- Second coat for pump house
- Grease all bearing buddies
- Air up all tires
- Lubricate all tongue jacks
- Change oil in all generators
- Clean air filters in all generators
- Clean air filters in all trailer A/C units. Blow out cooling coils

General Tasks not specific to any Club (continued):

- Mount new tongue jacks on three new signage trailers
- Build wooden support structure to support foldable warning signs
- Paint signage trailers
- Rig up security cables for signage trailers
- Paint signs for signage trailers
- Finish up any additional interior work on new impound trailer
- Prepare outside of impound trailer for signage
- Replace weather seal on roll up door.
- Straighten out or replace water heater vent on top of house
- Clean out semi-trailer / figure out how to preserve air ducted signatures
- Clean trailer A/C filters, blow out cooler coils on top

Last I checked lakebed was open. But if you need some direction to the SCTA property from El Mirage Road (Ave. P)

From Palmdale:

- Starting at the intersection of 240th street east and El Mirage Road (also called Ave P) head east ~2.1 miles to the LA – San Bernardino county line. Turn north onto Old El Mirage road.
- Stay on Old El Mirage for ~2 miles and follow the road as it turns right (east).
- Follow this main road the road east. It will turn several times as it makes its way north east to the lakebed. Just stay on the main road.
- When you get to Adobe Mt. Road turn east, take it to the BLM fence
- Turn north at the BLM fence and follow it to the SCTA property

The SCTA property is located at 1610 Brancard Ave, El Mirage, CA 92301

Thanks,

Werner Schwarz
