

SW PRE TRIP 2021 UPDATE

6/23/21:

Firm+smooth=FAST - It's as simple as that!

We've done our job, the rest is up to Mother Nature.

Course #1 & #2 are groomed to the 7 Mile, but we have 9+ miles if you need it. It is as good as any Salt in recent memory. Course #3 will again be used for Rookies & Licensing. It Will be timed to the 2 1/4 mile for Long Course qualifying. It will be open to anyone wishing to run 2 miles.

We're headin' home in the morning since our job is done. The only thing the Salt needs now is YOU!!
Don't miss out!
