

PRODUCT & EXPORT OFFERINGS

FOUNDER'S NOTE

With over two decades of hands-on experience in India's domestic trade and distribution sector, I've had the privilege of understanding the pulse of the Indian market and the intricacies of its supply chain ecosystem. This journey has reinforced a core belief – that in business, trust is the real currency, and consistency is the key to long-term relevance.

As India earns increasing recognition on the global stage for its product quality and cultural legacy, the next strategic step for us was clear: to scale our operations beyond borders and bring India's finest offerings to the world.

Parjet Export Services was founded with that purpose – to deliver premium agricultural and lifestyle products with professionalism, transparency, and heart. From Basmati and Sona Masoori rice to Makhana, Jaggery, and lifestyle glassware, our exports are curated for buyers who value quality, reliability, and authenticity.

We operate with a global mindset and buyer-first approach – combining clean documentation, on-time fulfillment, and scalable logistics with the care of a legacy-rooted enterprise.

At Parjet, we don't just move goods. We build trade relationships that last, shaped by values that go beyond commerce.

Warm regards,
Sonesh Kumar
Founder, Parjet Export Services
