

Goofy

[Intro]

G D C G

[Verse 1]

G D

I'm a little goofy, yeah, I'm kinda wild,

C G

Got a crooked grin and a reckless smile.

G D

Laughing at the world, I don't play it straight,

C D

In a rusty old pickup, I'm chasing fate.

[Chorus]

G D

Goofy, but I'm honest,

C G

Got a heart that's true, never dishonest.

G D

Goofy, with my boots on,

C D G

Singing country rock till the break of dawn.

[Verse 2]

G D

Friends say I'm crazy, a little offbeat,

C G

Dancing in the rain with two left feet.

G D

But this warm, gritty voice tells my story right,

C D

Underneath the stars in the pale moonlight.

[Chorus]

G D

Goofy, but I'm honest,

C G

Got a heart that's true, never dishonest.

G D

Goofy, with my boots on,

C D G

Singing country rock till the break of dawn.

[Bridge]

Em C

Some say I'm lost, some say I'm free,

G D

I'm just living my life the way it's meant to be.

Em C

With a laugh and a song, I'm riding high,

A7 D

Got my eyes on the road and the endless sky.

[Chorus]

G D

Goofy, but I'm honest,

C G

Got a heart that's true, never dishonest.

G D

Goofy, with my boots on,

C D G

Singing country rock till the break of dawn.

[Outro]

G D C G

Keep it goofy, keep it real.
