

Hello Beautiful Souls!

We have officially transitioned into the Fall Season. I don't know about you, but I'd prefer to go straight to December! Christmas is my all-time favorite holiday. From the decorations to the music, I love creating memories with my family.

This month's newsletter includes the monthly doTerra promotion, information about my upcoming workshop and links to schedule free consultations with me.

As the New Year approaches, this couldn't be a better time for you to get the support that you need to reach your goals. Take advantage of it.

November doTerra Promotion

Promotion Details:

Sign up a new Wellness Advocate or Wholesale Customer with a 100 PV enrollment order from November 1 through November 30, 2018, and both you and the new member will receive 50 free product points.

Rules:

The new member must sign up from November 1 through November 30, 2018. If they sign up outside this timeline, they do not qualify for the promotion.

The new member's enrollment order must be placed from November 1 through

November 30, 2018. Enrollment orders placed outside of this time frame will not count.

PV is not always equal to the cost of an order. Before completing an order, the individual ordering must verify that the enrollment order is at least 100 PV. Please assist your new enrollee in placing their enrollment order to ensure that they meet the requirements.

Both the new member AND the enroller will receive 50 product points each as long as the new member meets the above requirements.

Points are subject to normal point expiration and redemption.

Enrollers can earn a maximum of 1000 points (20 enrollments) during this promotion.

Lastly, I am creating a team of Wellness Advocates. If you are interested in joining, please **email me at roselightandlove@gmail.com** for more information. I'm hoping to have the team formed by the start of the New Year.
