

Hello, *Gate Keeper of Patient Safety*,

We would like to take this opportunity to discuss the benefits associated with becoming a NMAMSS member and ask for your support as a member for 2025!

1. Pride, Integrity and Respect for the Medical Staff Services Profession

Positive reinforcement that our Profession is of the utmost importance in the Healthcare arena. Excellent Credentialing and Privileging is the foundation of an excellent Medical Staff to serve our Community. We have a responsibility to our Patients in making sure that our practitioners are properly trained and competent to care for them. Patient safety starts here!

It grants you instant professional credibility, puts you above the competition and increases your earning potential. In short, certification is an investment in your career, your livelihood and your future.

4. NMAMSS Professional Certification Scholarship

Two scholarships per year will be awarded and will cover the cost of the CPCS, CPMSM or CPES exam.

5. Credentialing as a Career Goal

Many NMAMSS members have advanced their positions to Managers, Directors, Consultants, Educators and some have gone on to become CEO's of their own credentialing businesses. Start networking by going to the NMAMSS Facebook, Instagram and Web pages, add them to your Favorites and check back often! Becoming a member, participating on our website and on the email distribution list is a great place to start.

6. NMAMSS Discounts

All NMAMSS members are eligible to receive a discount when registering for the NM Annual Conference. You are also eligible to attend discounted educational conferences/meetings/webinars throughout the year.

7. The Best Reason: Making New and Lasting Friendships

Once you start networking and attending meetings, this is a given. NMAMSS connects you to seasoned MSP's who can support you in your own career. Some of us have become friends over the years and you know you can turn to them when needed. It certainly helps to have someone to talk to and also to help celebrate your successes. All credentialing staff professionals should have the same opportunity to experience this wonderful camaraderie and fellowship.

All this for the modest membership fee of \$50. How can you resist???

We hope you decide to join us and please share this information with anyone you feel may benefit or find this useful. Please contact us if you have any questions, concerns, or would like more information.

All the Best,
