Speaker lineup and additional details will be announced soon.

SESSION 1

Navigating the Talent Shortage: How Talent Clouds Drive Enterprise Success

May 29th 2024 • 3:05–3:45pm

- ◆ Understand how Talent Clouds address immediate talent shortages by providing scalable, on-demand expertise, improving project timelines and outcomes.
- ◆ Learn how to transition from cost-per-seat models to outcome-based approaches, leveraging Talent Clouds to save costs and boost productivity.
- ◆ Hear how Talent Clouds have increased efficiency and productivity at BT, with specific metrics and case studies.

SESSION 2

Matching Jobs and Talent: The Demands of the Enterprise Today

May 29th 2024 • 3:45–4:20pm

- ◆ How digitisation optimises talent sourcing, providing enterprises with on-demand, scalable solutions for IT needs both on-site and remotely.
- ◆ The process of integrating IT professionals into enterprise Talent Clouds, ensuring smooth onboarding and skills-based hiring practices.
- ◆ How leaders are transitioning from roles to skills-based hiring, ensuring that enterprise talent pools are more aligned with current and future needs.

SESSION 3

Catering for the Workforce of Tomorrow

May 29th 2024 • 4:20–4:55pm

- ◆ The workforce of tomorrow wants greater trust, security and seamless payment options. How are you preparing your business to cater to this need?
- ◆ Enhancing the role of FinTechs in payment flows as well as how they work with marketplaces and underpin the platform economy.
- ◆ How to navigate payments and on-demand wages across the patchwork of geographies, infrastructures and local rules/regulations.

SESSION 4

Mix & Mingle with cocktails and canapés

May 29th 2024 • 5:00–6:00pm

Enjoy breathtaking views of London alongside delicious cocktails and canapés.

Meet and exchange ideas with leading innovators in your industry.

Discover new collaborations and opportunities in a relaxed, upscale environment.
